ABOUT THE ORGANIZATION

Birbal Manav Kalyan Samaj Association is an NGO, which is registered under the Indian government's 1860 Act. Whose registration number is 57937. This organization has been working in many states of India for the last 5 years, the major ones are Delhi, Uttar Pradesh, Bihar, and Haryana. This organization's head office is located in Kanjhawala in Delhi and there is a branch office in Kaithee of Bihar's Khagriya district and in the district of Meerut in Uttar Pradesh and its branch office in Rohtak district of Haryana. This organization will soon open its branch offices in Gujarat, Madhya Pradesh, and West Bengal. The way of working of our organization makes us different from other organizations. The main difference in our organization is that we not just provide information to people, but also prepare them for social work. Our organization's concept is to educate people and to make them capable so that they will not remain unaware and uneducated. Therefore, the organization started work in the field of education and health and started paying more attention to these areas. The organization also conducted many competitions for children at regular intervals. Some of the competition we organize are drawing competition, race competition essay competition, computer education, etc.

The organization also launched the Talent Search Scholarship examination for students which was first initiated in July 2017. Our organization is continuously working in the area of health, the organization executes programs regarding health and also run health awareness camps at regular intervals. We organize Camps like Eye checkup camp, Health checkup camp and make people aware of health. For education awareness, many skill related programs also operated by the Government of India. Education to students is given free of charge, our society is known for its programs, their structures and, functions. Some of the programs are Prime Minister Skill Development Plan, New light, learn and earn and many other kinds of short-term programs are running at all our branch centers in which thousands of students enroll and enhance their skills and knowledge. As part of these government programs, the organization has opened up 15 different centers. Our organization is very cooperative with society people and government officials. We conduct mass marriages and also help people by providing them with free lawyer consultancy and help in resolving matters of Gali and Mohalla with the help of government officers.

VISION, MISSION, AND FOCUS

Vision

Our vision is to aware society about education and enables them to change their life through education. We believe that educating someone is better than helping or assisting once to that person. An educated person is capable to read write and understand things which are the basic requirement for every individual.

Mission

Our mission is to unite people from different sections of society and spread awareness among them regarding education. Also, we want to elevate education, health, and development standards in our society. The more we all contribute the earlier we reach to our goal.

Focus

Our organization's prime focus is education for all. Our country has many children who are willing to study, but due to lack of availability of resources or being financially weak, they are unable to get the proper education. We want to reach those areas and provide them with education facilities and aware their parents to let their kids pursue education.

OUR PROGRAMS & ACTIVITIES

Our programs

- Educational program
- PMKVY skill development classes
- Women empowerment program
- Vocational training

Our activities

- Health checkup camp
- Education awareness program
- Environment program
- Road safety awareness program

OUR PROGRAMS

1) EDUCATIONAL PROGRAM

Education is our prime focus since the organization established and our main concern is to provide education to underprivileged and aware people regarding the benefits of education. As we all know that education plays a vital role in every individual's life. So, we started working upon providing, free of charge education to kids and students. We conduct regular activities for kids and students to motivate them.

2) PMKVY SKILL DEVELOPMENT CLASSES

The General Duty Assistant (GDA) course trains students to work as nursing aides in hospitals, nursing homes, and home care scenarios. As part of the curriculum, students learn how to provide basic nursing care and manage ill patients. The course involves 4 months of classroom training followed by 2-months on-job training. A GDA works in close collaboration with doctors, nurses and other healthcare providers.

OUR PROGRAMS

3) WOMEN EMPOWERMENT PROGRAM

Birbal Manav Kalyan Samaj Association aims to act as a catalyst for bringing about social, economic and skill empowerment of women belonging to the underprivileged sections of society through interventions in the areas like economic initiatives, skill-building, micro-enterprises, and entrepreneurship development. Our organization provides free courses and classes of stitching and beautician to women and girls so that they can earn money and live a respectful life.

4) VOCATIONAL TRAINING

Our organization helps male and female students in learning basic operations in data entry and how to operate a computer as well. In this, we cover skills like data entry operator, Tailoring, communication skill development, computer office software learning, and other necessary office-related tasks. This helps them in understanding what are the requirements in an office and they are also eligible to apply at any workplace as data entry operator or office staff.

OUR ACTIVITIES

1) HEALTH CHECKUP CAMP

Catering to the medical needs of the disadvantaged and underprivileged families, where facilities are hardly available, is one of our areas of social involvement. To that effect, we, with a team of like-minded doctors, and volunteers periodically conduct several free medical camps and provide basic medical aid. This helps many people from underprivileged communities in getting medical aid for free.

2) EDUCATION AWARENESS PROGRAM

We believe education is the greatest gift that one can offer to a child. Our education awareness program has spread the light of awareness among children and their parents who were otherwise drifting into an aimless unproductive life. This program has offered new hope and confidence among children and their parents who could be a productive member of society.

OUR ACTIVITIES

3) ENVIRONMENT PROGRAM

Through this event organized annually, we bring together farmers, women's groups, schools and, other community volunteers to raise awareness about environment conservation especially the importance of biodiversity and climate change adaption and mitigation. The campaign includes tree plantations, field demonstrations of effective methods of tree planting and nurturing and sharing of robust indigenous seed varieties.

4) ROAD SAFETY AWARENESS PROGRAM

We have initiated national road safety campaigns as well as joined campaigns from around the nation to promote road safety. It is important that people are aware of what evidence-based actions can be taken to prevent road traffic injuries among youth. Road accidents are one of the major factors of deaths caused every year. Our organization conducts road safety-related events and activities to promote safety measures and rules & regulations among people

EDUCATIONAL PROGRAM

The Education program is a national level program of Birbal Manav Kalyan Samaj Association, which is committed to providing basic and higher-level education to underprivileged children and students. Birbal Manav Kalyan Samaj Association believes that whether you are working in the field of healthcare, poverty, population control, unemployment or human rights, you cannot ignore education from the list of major issues in the country. Today, many kids won't get proper education due to lack of availability of resources and opportunities.

Education is both the means as well as the end to a better life; means, because it empowers an individual to earn his/her livelihood and the end because it increases one's awareness on a range of issues – from healthcare to appropriate social behaviour to understanding one's rights, and in the process evolve as a better citizen.

EDUCATIONAL PROGRAM

Findings & feedback

- 1) We surveyed the village area and other rural area and found that many children are not going to school.
- 2) During survey we found those children going to school are not getting quality education.
- 3) Lack of awareness about education among people was also one of the reasons.
- 4) Lack of support of stationery and other study material to students by their parents.

Results and conclusion

We opened free learning centers for underprivileged kids and students in which we provide free of charge education to 300 students and kids from underprivileged communities. Students from class 5th to class 12th will be given free education at our centers. Along with free education we also teach them computer operation and Spoken English so that they can understand basic computer and English.

PMKVY SKILL DEVELOPMENT CLASSES

General Duty Assistant

Approved for another four years (2016-2020) to benefit 10 million youth allocated budget 12,000 Crores Pradhan Mantri Kaushal Vikas Yojana (PMKVY) is the flagship scheme of the Ministry of Skill Development & Entrepreneurship (MSDE) implemented by National Skill Development Corporation. The objective of this Skill Certification Scheme is to enable a large number of Indian youth to take up industry-relevant skill training that will help them in securing a better livelihood. Individuals with prior learning experience or skills will also be assessed and certified under Recognition of Prior Learning (RPL).

GDA (General Duty Assistant) is one who provides patient care and helps maintain a suitable environment. Some of the key responsibilities are to provide patient's daily care, comfort, safety and health needs. A GDA works in collaboration with doctors and nurses and other healthcare providers and deliver the healthcare services as suggested by them. A GDA is result oriented. He/she demonstrates basic patient care skills, communication skills and ethical behaviour while working in the clinics in shifts. From our centers total 500 students got certificate in GDA course and they are skilled in medical laboratory as technician.

WOMEN EMPOWERMENT PROGRAM

Beauty culture classes

Beauty and Cosmetology are one of the industries that are hardly affected by recession or economic downfalls. All people want to look good not only to boost their confidence but to present themselves well among their peers. To make this possible, beauticians, cosmetologists and beauty experts are required. The students who enroll in this program will learn how to cut and style people's hair, maintain the glow on their faces, give hair and face spas, colour hair, do make-up and makeovers of people, etc.

Tailoring and stitching classes

This course is about learning to stitch a single garment like Saree blouse, Salwar Kameez, Skirt & Top etc. In this course, the student learns about measurements of a specific garment and the way to measure a person for the same. In our centers these classes will be given to women and girls so that they can earn bread butter for their family on their own.

WOMEN EMPOWERMENT PROGRAM

Papad making classes

This is an important course that has a wide scope of business and can provide a decent income at home. This course is highly beneficial for the people who have creativity and who want to turn their hobby into a profession. We teach skills like preparing various flavored papads in terms of shape, size, flavour, material, etc.

Problem

We found that many women and girls wanted to earn money for themselves to feed their family. Some are in such bad condition that they cannot afford proper food for their family. Our organization realized that there is a need for any source of income for these women and girls so that they can earn money to feed themselves and their family.

Solution

Our organization enrolled around 500 female candidates in 4-5 different states under these programs and provided them with earning opportunities.

VOCATIONAL TRAINING

Tailoring and stitching classes

This course is about learning to stitch a single garment like Saree blouse, Salwar Kameez, Skirt & Top etc. In this course, the student learns about measurements of a specific garment and the way to measure a person for the same. In our centers these classes will be given to women and girls so that they can earn bread butter for their family on their own.

Computer classes & Spoken English classes

These classes will give proper knowledge of complete MS-office 2010 application software package to around 400 students. The student will learn about require detail of computer hardware, He/she will learn how to use the internet securely for e-mailing, booking, banking.

Spoken English classes will work on their English speaking ability so that they can represent themselves in front of anyone without any hesitation. We have seen that many students hesitate to speak or present themselves in front of public and friends which is due to their low confidence and less command over the language. Our classes help many students overcoming this fear and motivate them.

01 HEALTH CHECKUP CAMPS

Health checkup camps are organized by Birbal Manav Kalyan Samaj Association in many states like Bihar, Delhi, Uttar Pradesh, Haryana, etc. These camps benefit many underprivileged and needy people as they are unable to purchase expensive medicines and some are unable to access even basic medical assistance.
